PARENT VOLUNTEER FORM:

There are many ways you can help as a parent/guardian. Please look below to see if you feel called to assist. We would love to have you join us. Please return this form with your child(ren)'s Code of Conduct form.

All volunteers will be asked to complete the FREE Safe Environment program to help keep our youth safe; this includes the self-paced on-line Virtus On-Line course -and- LiveScan digital fingerprinting. Thank you!
